

# Template: Community Building Tool

**Directions:** In preparing for a specific course, reflect on the following questions and document the specific things you plan to do during the course in the interest of establishing a sense of community.

## BELONGING

<b>Question:</b> What will I do to create a sense of belonging at the very start of my course?	
<b>Questions:</b> What will I do to sustain the sense of community throughout the course?	

## VISIONING

<b>Question:</b> How will I share the full picture of the journey we are undertaking together?	
---	--

## ENGAGING

<b>Question:</b> What activities will I plan that will actively engage them with each other?	
<b>Questions:</b> In what specific activities will I engage myself as a member of the community?	

## CARING

<b>Question:</b> In what different ways will I communicate that I care about them?	
---	--

## RESPECTING

<b>Question:</b> What will I do to show respect for all members of our community?	
--	--

## SHARING RESPONSIBILITY

<b>Question:</b> What will I do to find out if members of the community feel I have carried out my specific responsibilities to them?	
<b>Questions:</b> How will I help them understand their own responsibility to themselves and their work teams?
